

Call for Applications Tenure Track Faculty Positions 2022-2023

The Technion – Israel Institute of Technology invites you to apply for a tenure-track faculty appointment in Biology.

We are seeking for applicants who are investigating the fundamentals of life sciences in the following areas:

- Microbiology, Ecology and Evolution
- Plant Biology
- Biophysics and Structural Biology
- Molecular, Cellular and Developmental Biology
- Neurosciences

Applicants must have a Ph.D. or equivalent degree and post-doctoral training. They are expected to establish an independent, extramurally funded research program and teach in undergraduate and graduate level courses. The positions will be offered at ranks commensurate with qualifications of the applicants.

Each application should be submitted by email to the address below and must include a single pdf file containing the following sections:

- Cover letter.
- CV and a list of publications.
- Research statement.
- Teaching statement.
- A list of 6 referees that can evaluate the applicant's academic achievements

In addition, 4 recommendation letters (from the above list) should be sent directly to:

Prof. Benjamin Podbilewicz
Vice Dean for Research and Head of the Search Committee
Faculty of Biology
biology2022@technion.ac.il

Formal evaluation of candidates will begin on November 15, 2022, and continue until position is filled.
